### THE PASSOVER.

After Israel had come out of the land of Egypt, the LORD told Moses in the wilderness of Sinai on the 1<sup>st</sup> month of the 2<sup>nd</sup> year the people of Israel were to keep the Passover on the 14<sup>th</sup> day of the 1<sup>st</sup> month, at twilight. The people kept the Passover on the 14<sup>th</sup> day in the 1<sup>st</sup> month, at Twilight in the Wilderness of Sinai.

#### **Rules for unclean people or those on a long journey who could not eat the Passover.**

If a person was unclean because they had touched a dead body they could not keep the Passover or if a person was on a long journey and could not get to the Passover on the appointed day, they were to take the Passover on the 14<sup>th</sup> day of the 2<sup>nd</sup> month at Twilight. They were to eat it with unleavened bread and bitter herbs, none of it was to remain until the morning, 'no bones were to be broken' and everything was to be done according to all the statutes for the Passover.

**For further information regarding 'No Bones Broken' see, the title: -**

#### **Rules for those who did not keep the Passover.**

If anyone who is clean and was not on a journey and failed to keep the Passover they were to be cut off from there and would bear their sin.

#### **Rules for the sojourner who wants to keep the Passover.**

If a stranger sojourned among Israel desired to keep the Passover to the LORD they were able to do as long as it was according to all the rules and statutes, because the statute and rules were the same for the sojourner and the native.

#### **A Cloud covers the Tabernacle by day and by the appearance of fire at Night.**

On the day that the Tabernacle was set up a Cloud covered it, at evening the Cloud was over the Tabernacle like the appearance of fire until morning and was always over the Tabernacle by day and by night.

#### **When the cloud lifted from the Tabernacle.**

The people of Israel would set out whenever the Cloud lifted from the Tabernacle and the people of Israel would settle in the place that the Cloud settled down, when the Cloud remained over the Tabernacle many days, the people of Israel did not set out, but when the Cloud remained only a few days over the Tabernacle Israel remained in the camp. Sometimes the Cloud only remained from evening until morning and Israel would set out and at other times the Cloud only remained for a day and a night then Israel would set out, whether it was two days, a month, or a longer time, that the Cloud continued over the Tabernacle the people of Israel remained in camp and did not set out, but when it lifted they set out. At the command of the LORD Israel camped and at the command of the LORD they set out, the people kept the charge that the LORD has command Moses.
