THE 12 SPY'S MISSION.

Moses told the 12 spies to see what the land is like and whether, the people who dwell in it are strong or weak, few or many, if the land is good or bad, rich or poor, if there are trees or not and if the cities are camps or strongholds, and to be of good courage and bring some of the fruit of the land.

(It was the season for ripe grapes).

The 12 spies go into the Promised Land.

The 12 spies went up from the wilderness of Zin to Rehob, near Lebo-hamath, they travelled into the Negeb and to Hebron, when they arrived in the Valley of Eshcol they gathered some pomegranates and figs and cut down a branch with a single cluster of grapes and carried it on a pole between two of them.

The place was called the Valley of Eshcol, because of the cluster of grapes the spies cut down from there.

After 40 days the 12 Spies return to Moses.

At the end of 40 days the 12 spies returned from spying out the land, they returned to Moses, Aaron and all the congregation of Israel in the wilderness of Paran at Kadesh and told the entire congregation everything they had seen and showed them the fruit they brought back.

The Spies told the people that the: -

- Land flowed with milk, honey and showed them the fruit.
- People who dwell in the land are strong.
- Cities are fortified and very large.

The descendants of Anak live there, the Amalekites dwell in the land of the Negeb, the Hittites, the Jebusites, and the Amorites dwell in the hill country, and the Canaanites dwell by the sea, and along the Jordan.

Caleb calmed the people before Moses and said, Let us go up at once and occupy it, for we are well able to overcome it.

The spies who had gone with Caleb brought a bad report of the land saying: -

Israel is not able to go up against the people in the land, because they are stronger than the people of Israel, it is a land that devours its inhabitants, the people in the land are of great height and there are Nephilim (the sons of Anak, who come from the Nephilim) in the land.

The 10 spies told the people of Israel, "Compared to the people in the land, they seemed like grasshoppers."
