- A daughter-in-law because she is their son's wife.
- A brother's wife.

No one was to: -

- Take a woman as a rival wife to her sister while her sister is still alive.
- Uncover a woman while she was in her menstrual uncleanness.
- Lie sexually with his neighbour's wife.
- Give any of their children to Molech.
- Lie with a male, as with a woman or lie with any animal.

The reason the LORD drove the inhabitants of Canaan out.

All the nations that were in the land of Canaan were doing all the above things that is why the LORD was driving the people of Canaan out of the land by their abominations they had made the land unclean, therefore the LORD punished the inhabitants of Canaan by driving them out of the land.

Israel was warned; To keep all the LORD'S statutes and not to do any of the abominations that the native or the stranger who sojourned among them were doing or that the inhabitants of the land Canaan were doing because the land would become unclean and the LORD would drive Israel out of the land.
