Thankyou for visiting; Bible House Of Grace.

BOUNDARIES OF THE PROMISED LAND.

(Canaan was defined by its borders).

Israel's South Border; (nine and a half Tribes) is from the wilderness of Zin alongside Edom and runs from the end of the Salt Sea on the east and turns south of the ascent of Akrabbim and cross to Zin. Its limit is south of Kadesh-barnea and then on to Hazar-addar and passes along to Azmon. It then turns from Azmon to the Brook of Egypt and its limit is at the sea. Salt-Sea or Red-Sea.

Israel's West Border; (nine and a half Tribes) was the Great Sea (Mediterranean Sea) and its coast.

Israel's North Border; (Nine and a half Tribes) is a line from the Great Sea (Mediterranean Sea) to Mount Hor, then a line from Mount Hor to Lebo-hamath and the limit of the north border border is Zedad. Then the border extends to Ziphron and its limit would be at Hazar-enan.

Israel's East Border; (nine and a half Tribes) Israel's East Border is a line from Hazar-enan to Shepham, then down from Shepham to Riblah on the East Side of Ain. The border continues down and reaches to the shoulder of the Sea of Chinnereth on the east, then the border goes down to the Jordan River and its limit is the Salt Sea.

The inheritance of Reuben, Gad's and the half tribe of Manasseh; (two and a half Tribes) was on the east of Jericho and the Jordan River.

The men who were to divide the land; where Eleazar the Priest and Joshua the son of Nun, plus one Chief from every Tribe.

The following are the chief men from the tribe of: -

Judah; was Caleb the son of Jephunneh.

Simeon; was Shemuel the son of Ammihud.

Benjamin; was Elidad the son of Chislon.

Dan; was Bukki the son of Jogli.

Ephraim; was Kemuel the son of Shiphtan.

Zebulun; was Elizaphan the son of Parnach.

Issachar; was Paltiel the son of Azzan.

Asher; was Ahihud the son of Shelomi.

Naphtali; was Pedahel the son of Ammihud.

These are the men whom the LORD commanded to divide the
Inheritance for the people of Israel in the land of Canaan.

Brook/Wadi; means a small stream, it is one of the sweet words of the Scriptures, because the Bible was written in lands near the desert and by men who therefore appreciated water.

Many brooks are named in the Bible the word rendered brook in the KJV seems to refer to the Nile or its irrigating streams. In Psalm 42 the word rendered brooks seems to mean channel and is generally rendered rivers. The word nahal, rendered brook over 40 times in the KJV often means a wadi, ie. a torrent in winter and spring which dries up in the summer.

End.
