Aaron's Ministry.

The LORD gave the priesthood to Aaron as a gift, Aaron and his sons were to bear the iniquity connected with the Sanctuary and with the priesthood. Aaron was to keep guard over the Sanctuary, the Altar, the priesthood and everything that concerns the Altar and that was within the Veil so that there would never again be wrath on the people of Israel, he was also given charge of the contributions (donations) made to the LORD.

The contributions (donations) the people gave to the LORD were: -

- Every consecrated thing (holy thing).
- Every Sin, Grain, Guilt, Wine offering and all devoted things.
- Everything that opens the womb of all flesh, whether man or beast.
- The best of the oil, first ripe fruits, the wave offering and the skins (probably used for clothing and tents).
- Every breast and right thigh that was waved.

All the holy contributions (donations) that the people of Israel presented to the LORD the LORD would give to Aaron, his sons and daughters and his offspring so they became food for the priesthood and their families.

General Laws Concerning Aaron.

Holy food was food that had been offered on the Altar. Everyone who was clean in Aaron's house could eat the holy food, all males had to eat it in a holy place and any outsider who came near to Aaron or the Altar was to be put to death. Aaron's portion of the most holy food was reserved (taken out) from the fire on the Altar.

First Born of Animals which were not to be Redeemed.

The firstborn of a cow, a sheep, or goat was not to be redeemed because they were holy, their blood was to be sprinkled on the Altar and their fat was to be burned (*cooked*) for a food offering as a pleasing aroma to the LORD.

The First Born of Animals which were to be Redeemed.

The firstborn of man and of the unclean animal was to be redeemed when it was one month old the redemption price was to be fixed at five shekels of silver.

The Levites Ministry.

Levi was the father of Aaron, Aaron and his Sons were to bear iniquity connected with the sanctuary, and their priesthood, while Aaron's brothers were to minister to Aaron and his Sons before the Tent of the Testimony.

The Levites were; a gift to Aaron from the LORD to minister to Aaron and his sons while they were before the Tent of Testimony and keep guard over Aaron and the Tent of Meeting for all the service of the Tent. Providing the Levites had contributed the best of the offering to Aaron they would bear no sin by eating the offerings in any place because it was their reward for their service in the Tent of Meeting they were not to go near the Tent of Meeting, the vessels of the Sanctuary, the Altar or profane the holy things lest they and Aaron dies.

Tithing.

The LORD gave every gift and Tithe to the Levites for an inheritance, in return for their service in the Tent of Meeting. From the gifts and Tithe the Levites received they were to present the best part to be dedicated to the LORD which then became Aaron's. The people's Tithe was given to the Levites and then the Levites were to Tithe a Tithe from the people's Tithe to Aaron. When the Levites had offered the best to Aaron then the rest was to be counted to the Levites.

Aaron was not to have any inheritance in the land because the LORD was Aaron's portion.
