Numbers 26.

The following is a brief overview of the main topics.
Thankyou for visiting; Bible House Of Grace.

Note; this chapter is continued from the previous chapters.

The people of Israel are in the plains of Moab by the Jordan River near Jericho.

Israel is to be Numbered.

After the plague that killed 24000 Israelites because the people had yoked themselves to the gods of Moab and the Midianites and worshipped Baal of Peor, the LORD tells Moses and Eleazar the son of Aaron the priest to number the New Generation from 20 years old and upward who were able to go to war and take a census.

The number of Israelites who came out of Egypt was: -

Reuben; (the firstborn of Israel) clans numbered 43,730.

Simeon; clans numbered 22,200.

Gad; clans numbered 40,500.

Judah; clans numbered 76,500.

Issachar; clans numbered 64,300.

Zebulun; clans numbered 60,500.

Joseph; was counted in his two Sons (Manasseh and Ephraim).

Manasseh; clans numbered 52,700 (the Son of Joseph).

Ephraim; clans numbered 32,500 (the Son of Joseph).

Benjamin; clans numbered 45,600.

Dan; clans numbered 64,400.

Asher; clans numbered 53,400.

Naphtali; clans numbered 45,400.

The Total; 20 years old and upward and able to go to war was 601,730.

Among the 601,730 numbered there was not one name on the list of those who Moses and Aaron had listed when Israel was in the Wilderness of Sinai, because the LORD had said they will all die in the Wilderness and not one would be left, except Caleb the son of Jephunneh and Joshua the son of Nun.

The Land was divided according to the Names on the List.

The LORD told Moses the land would be divided for an inheritance according to the number of names on the list. To a large tribe Moses was to give a large inheritance, and to a small tribe Moses was to give a small inheritance. It was to be divided according to the names of the fathers of the tribes and by lot (area or size) between the larger and the smaller, every tribe was to be given its inheritance in proportion to the number of names on the list that Moses and Eleazar had made when they numbered all the people 20 years old and upward and who were able to go to war.

The list of the Levites according to their clans.

Gershon; was the clan of the Gershonites.

Kohath; was the clan of the Kohathites.

Merari; was the clan of the Merarites.

Notice; The sons of Korah did not die when the earth swallowed up Korah with his household and the 250 men.

The clans of Levi; Libnites --- Hebronites --- Mahlites --- Mushites --- Korahites.

Genealogy of Moses, Aaron and Miriam their Sister.

- Kohath was the father of Amram.
- Amram's wife was Jochebed the daughter of Levi.
- Jochebed was born to Levi in Egypt.
- Jochebed and Amram were the mother and father of Aaron, Moses and Miriam their sister.

The Genealogy of Aaron.

- To Aaron were born Nadab, Abihu, Eleazar and Ithamar.
- Nadab and Abihu died when they offered unauthorised fire before the LORD.

Levites listed.

The Levites were not recorded in the same list as the people of Israel, because there was no inheritance given to the Levites, but the number of Levite males from one month old and upward was 23,000. These were all those listed by Moses and Eleazar the priest, in the plains of Moab by the Jordan at Jericho.

All who rebelled in the Wilderness had Died.

Not one of the names who had been recorded by Moses and Aaron in the Wilderness of Sinai was listed in this list, because the LORD had said, "all those recorded in the Wilderness of Sinai would not enter the Promises Land, except Caleb and Joshua, and now not one was left, they had all died, only Caleb and Joshua remained.

End.
