Leviticus 4.

The following is a brief overview of the main topics.
Thankyou for visiting; Bible House Of Grace.

LAWS THAT THE LORD GAVE MOSES REGARDING 'UNINTENTIONAL' SIN.

For the anointed priest, the entire congregation, priest/leaders
And the common people.

Note; the principle for Unintentional Sin for the Anointed Priest, the entire Congregation, Priest/Leaders and the Common People was the same, when they were made aware of the Sin they had to offer a Sin Offering.

The following is the different offerings the Anointed Priest, the entire Congregation, Priest/Leaders and the Common People were to make (All the Sin offerings became food for the Priesthood).

When the anointed priest sinned 'Unintentionally' he was to offer a Bull.

The Anointed Priest making the Sin Offering: was to take a Bull to the entrance of the Tent of Meeting and lay his hand on the head of it and kill it, then take some of the blood of the Bull into the Tent of Meeting, dip his finger in the blood and sprinkle part of the blood seven times in front of the Veil of the Sanctuary and put some of the blood on the Horns of the Altar of Incense. He was to pour the rest of the blood at the base of the Altar of the burnt (*cooked*) offering, remove the entrails, two kidneys, the long lobe of the liver and all the fat that is on them (the same was done with the sacrifice of the peace offerings), burn (*cook*) the entrails, kidneys and the long lobe of the liver on the Altar of the burnt (*cooked*) offering. The skin, the flesh, the head, the legs, the entrails and the dung was to be burned on the ash heap outside the Camp. Everything the Priest offered for Unintentional Sin was done before the LORD, because the blood of his offering was taken into the Most Holy Place and sprinkled on the Altar before the Veil covering the Ark of the LORD'S Presence.

Summary; the Anointed Priest makes Atonement for himself.

When the entire congregation sinned 'Unintentionally' they were to offer a Bull.

The entire congregation making the Sin Offering; was to offer a Bull for a sin offering and bring it in front of the Tent of Meeting, the Elders of the congregation were to lay their hands on the head of the Bull and kill it.

The Anointed Priest; was to take some of the blood of the Bull into the Tent of Meeting, dip his finger in the blood and sprinkle it seven times in front of the veil, put some of the blood on the Horns of the Altar that is in the Tent of Meeting, then Pour out the rest of the blood at the base of the Altar of the burnt (*cooked*) offering that is at the entrance of the Tent of Meeting, remove the entrails, two kidneys, the long lobe of the liver and all the fat that is on them (the same was done with the sacrifice of the peace offerings), burn (*cook*) the entrails, kidneys and the long lobe of the liver on the Altar of Burnt Offering.

The skin, the flesh, the head, the legs, the entrails and the dung was to be burned on the ash heap outside the Camp. The Anointed Priest would then make Atonement for the congregation that had unintentionally sinned and they would be forgiven. Everything the Elders offered for the unintentional sin of the congregation was done before the LORD, because the blood of their offering was taken into the Most Holy Place and sprinkled on the Altar before the Veil covering the Ark of the LORD'S Presence.

Summary; the Anointed Priest makes Atonement for the entire congregation.

When a ruler sins, 'Unintentionally' he was to offer a Goat.

When a Ruler sins unintentionally and it is made known to him, he was to take a Male Goat without Blemish as his sin offering, lay his hand on the head of the Goat and kill it.

The Anointed Priest; was to take some of the blood of the sin offering with his finger and put it on the Horns of the Altar of the burnt (cooked) offering, then pour out at the base of the Altar of the burnt (cooked) offering the rest of the blood, remove the entrails, two kidneys, the long lobe of the liver and all the fat that is on them (the same was done with the sacrifice of the peace offerings), burn (cook) the entrails, kidneys and the long lobe of the liver on the Altar of burnt (cooked) offering. The skin, the flesh, the head, the legs, the entrails and the dung was to be burned on the ash heap outside the camp. The Anointed Priest would make atonement for the Ruler that sinned and he would be forgiven. Everything the Ruler offered for his unintentional sin was done before the LORD, because the blood of his offering was taken into the Most Holy Place and sprinkled on the Altar before the Veil covering the Ark of the LORD'S Presence.

Summary; the Anointed Priest makes Atonement for the Ruler.

When the Common People Sinned 'Unintentionally' they were to offer a Female Goat).

The Common person making the Sin Offering; was to offer a Female Goat without Blemish for their sin, they were to lay their hand on the head of it and kill it.

The skin, the flesh, the head, the legs, the entrails and the dung was to be burned on the ash heap outside the camp. The Anointed Priest would make Atonement for the common person and they would be forgiven.

Note; it does not say that everything the Anointed Priest did for the offering of the common people that unintentionally sinned was done before the LORD.

The blood unlike the previous offerings for the Anointed Priest, the Whole Congregation and the Priest/Leader was not taken into the Most Holy Place and sprinkled on the Altar before the Veil covering the Ark of the LORD'S Presence.
