### **LAWS THE LORD GAVE MOSES REGARDING THE PLACE OF SACRIFICE**

The sinner killed the offering/sacrifice in the field  
And brought it to the priest.

If any one of the people of Israel and the strangers who sojourn among them killed a sacrificial ox, a lamb or a goat in the camp, but not in front of the Tent of Meeting or outside the camp bloodguilt would be imputed to that person and they were to be cut off from among the people of Israel because they shed blood and did not take it to the Tent of Meeting. The priest was to throw the blood on the Altar at the entrance of the Tent of Meeting and burn (*cook*) the fat for a pleasing aroma to the LORD.

#### **Offerings to Demons.**

Israel was not to sacrifice to goat demons or go whoring after the gods of the surrounding nations.

#### **The Life of all Creatures is in the Blood.**

If Israel or of the strangers who sojourn among them ate blood, that person was to be cut off from among Israel and the LORD would set His face against them, because the life of the flesh (body) is in the blood, that is why the LORD has given the life that is in the blood to be put on the Altar to make Atonement for the peoples souls, it is the life in the blood that makes Atonement for the people.

**Notice;** it is the life in the blood that makes Atonement, the life force in animal's or man is the same life force, the life is neutral it is a power that sustains life. A person in a coma cannot think, speak; hear etc., yet they are alive, the life in human or an animal is the same it is just that man is given a brain that can reason.

#### **Eating Blood was Forbidden.**

For that reason Israel or the stranger among them was not to eat blood, the blood of any animal or bird taken in hunting was to be poured out on the ground and covered with earth, because the life of every creature is its blood: its blood is its life that is why whoever ate blood would be cut off.

Every person of Israel or the sojourner that ate what dies of itself or what is torn by beasts was to wash their clothes and bathe in water and be unclean until the evening, if they did not they would bear their own iniquity.
