Leviticus 2.

The following is a brief overview of the main topics.
Thankyou for visiting; Bible House Of Grace.

The laws the LORD gave Moses regarding Grain Offerings during the Year.

The Grain offerings included men and woman.

A Grain Offering Baked in an Oven.

The offering was to be unleavened loaves of fine flour mixed with oil or unleavened wafers smeared with oil.

The person making the Offering; was to pour oil on the fine flour, put frankincense on it, then take a handful of the fine flour and oil from it, with all of its frankincense and give it to Aaron's sons the priests.

Aarons' Sons; the priest was to burn the handful as its memorial portion on the Altar, as a food offering with a pleasing aroma to the LORD, but the rest of the Grain Offering was to be for Aaron and his sons, it was a most holy part of the LORD'S food offerings.

A Grain Offering Baked on a Griddle.

The person making the Offering; was to bake it with unleavened fine flour, mixed with oil, when it was cooked they were to break it in pieces and pour oil on it.

A Grain Offering Cooked in a Pan.

The person making the Offering; was to make the Grain Offering of fine flour with oil and cook it in a pan then take it to the LORD (meaning to the Altar and present it to the priest).

Aarons' Sons; the priest was to take from the Grain Offering its memorial portion (probably a handful) and burn it on the Altar as a food offering with a pleasing aroma to the LORD, but the rest of the Grain Offering was to be for Aaron and his sons. No Grain Offering was to be made with leaven, because the part for Aaron and his sons is a Most Holy part of the LORD'S.

Laws for Grain Offerings of Firstfruits.

The Grain Offering of firstfruits was to be fresh ears or crushed new grain roasted in a fire. Oil and frankincense was to be laid on the Grain Offering of firstfruits. All Grain Offerings were to be seasoned with salt because the salt of the covenant with Israel's God was not to be missing from all their offerings. The priest was to burn a memorial portion (probably a handful) of the Grain Offering with all of its frankincense because it was a food offering to the LORD.

Honey and Leaven.

Honey or leaven can be brought to the LORD for an offering of firstfruits, but they are not to be offered on Altar as a burnt (*cooked*) offering for a pleasing aroma.

End.
