This offering was a pleasing aroma to the LORD  
(it became food for the Priests).

**One Law for all Offerings;** there was only one statute, the laws and rules for the offerings were the same for the stranger sojourning with Israel or anyone that was living permanently with them.

### **Laws for when Israel Entered the Promised Land.**

When Israel entered the land and ate the bread of the land they were to present a contribution to the LORD, the first of Israel's dough that they made was to be presented as loaf to the LORD as a contribution.

### **Laws for when the Entire Congregation Sin Unintentionally.**

If Israel sinned unintentionally by not observing all the commandments the LORD spoke to Moses and the entire population was involved and a sin was done unintentionally without the knowledge of the people, the entire congregation was to offer one Bull for a Burnt (*cooked*) offering, a pleasing aroma to the LORD.

The Bull was to be offered with its Grain and Drink Offering and one Male Goat according to the rule for a Sin offering and the priest would make Atonement for all the congregation of the people of Israel.

The entire population including the stranger who sojourns among them would be forgiven because they brought their Food and Sin offering to the LORD for their mistake.

This offering was a pleasing aroma to the LORD  
(it became food for the Priests).

#### **Laws for when One Person Sins Unintentionally.**

If one person sinned unintentionally they were to offer a Female Goat a year old for a Sin offering according to the rule, the priest would make Atonement before the LORD and the person who made the mistake would be forgiven. It was the same law for the native of Israel and the stranger who sojourns with them.

#### **Laws for when one Person Sins Intentionally.**

The person who does anything with a high hand, (pride or deliberately) whether they are native or a sojourner, was to be utterly cut off from the people and their iniquity would be on them, because they have reviled the LORD, despised His Word and broken His Commandment.

#### **Working on the Sabbath.**

While dwelling in the wilderness a man was found gathering sticks on the Sabbath day and was brought before Moses, Aaron and the entire congregation, the man was put in custody, because the people did not know what to do with him. The LORD told Moses that the entire congregation was to take the man outside the camp and stone him to death, so they took the man outside the camp and stoned him to death.

#### **Tassels on Garments.**

The LORD told Moses the people are inclined to whore after their own heart and their own eyes, so tell the people to make tassels on the corners of their garments and put a blue cord on each tassel, so the people could look at the tassels and remember all the Commandments of the LORD and not go whoring after their own heart and their own eyes, but be holy to their God.

**Note;** whoring after their own heart means turning to idols and other gods or doing what they believed was the right thing, or what they desired to do.
