Although I believe my aim is pure and God's will perfect this document is still the product of a human man, as to such I neither claim perfect knowledge or perfect understanding.

Ark of the Covenant. (A Description of It).

The ark of his covenant: was

- A sacred chest made of shittim wood that comes from the shittah tree (also called acacia tree and acacia wood).
- The entire chest was overlaid with gold.
- The Law was placed under the mercy seat (the lid) in it.
- On the lid was the mercy seat (signifying that mercy covered the law).
- A cherub of glory was placed at each end, with their wings over shadowing the mercy seat, signifying Gods divine protection.
- Between the two cherubim was the seat of the divine Majesty.
- It stood in the Holy of Holies (the Most Holy Place).
- Only the high priest saw it, and that was only once a year.
- It signified the Most Holy Presence of the Almighty and Holy God.
