## BLASPHEMY AND WHAT IT MEANS

---

Blasphemy embraces:

- Speech that is offensive to God, and the Lord Jesus Christ and demeans, dishonours, and degrades their name.
- Idolatrous acts of worship, and worship and prayers to images, or to saints (i.e., the dead that the Papal Church has exalted to sainthood).
- Praying and worshipping angels.

Each of these embrace speech and behaviour that can be referred to as being blasphemous toward God and the Lord Jesus Christ.

## BLASPHEMY AND THE ROMAN PAPAL CHURCH

---

Following are some examples of the Roman Papal Churches blasphemous claims, doctrines, and teachings:

- The Roman Papal Church, and the Vatican with its Popes claim to be the true church and the Mother church of all churches, and the universal church over all nations.
- The Divine title for the Pope is, His Holiness, the Infallible (i.e., perfect, and flawless) Sovereign of kings and kingdoms; Christ's Vicegerent, God upon earth.
- The claim the Popes of the Roman Papal church are Christ's vicar on earth, the apostles Peter's successor, the head of all churches and the universal bishop.
- The law their Popes and Bishops proclaim came by God's authority and is absolute, therefore they have divine authority and right to impose their own laws and doctrines on the consciences of their congregations.
- The Popes and Bishops have divine authority and right over all people.
- The worship of the Virgin Mary.
- Their belief the wine mystically turns to the literal blood of Christ, and the bread literally turns to his flesh during the Eucharist.
- Attending mass, and strictly adhering to their church's holy days, ceremonial rites and keeping their religious practises and traditions saves a person and secures their salvation.
- Forbidding priests to marry (i.e., the doctrine of celibacy),

- The teaching, purgatory is a a place or state of suffering where the souls of sinners go to atone for their sins, before going to heaven.
- Popes have authority to exalt the dead to sainthood.
- To receive forgiveness of sins, followers must confess their sins to a human priest, who it is taught has power to pardon sins.

These ungodly claims, teachings and doctrines cannot be found in the Bible they are all man-made doctrines, and as such rightly fit the description, "blasphemous words." Any teaching and doctrine that is contrary to the Gospel and the teachings of the Lord Jesus Christ, and any speech that demeans, mocks degrades and dishonours God and the name of the Lord Jesus Christ, and any act of idolatrous worship, whether to images or saints (i.e., those the Papal Church has exalted to sainthood), or to angels, is speech and behaviour that can be referred to as, blaspheming God and the name of the Lord Jesus Christ.

**Added to this:** is the truth that whatever a person does to God's people (good or bad) is the same as doing it to God, which means that blaspheming also embraces:

- Deliberate mocking and ridiculing the faithful who belong to God and to Christs Kingdom.
- Those who act spiritually superior, and are full of self-importance, pride, arrogance, and who are deceitful concerning God, His word, and the Lord Jesus Christ.
- Those who live a lifestyle that brings a bad testimony to the name of God and the Lord Jesus Christ and the Christian faith.

All who fit into any of these categories can be said to be blaspheming God.

*As the founder of Bible House of Grace, I would like to thank the many Christian scholars, commentators and theologians who have gone before me, and the many today, who have freely made available their works to enhance the knowledge of the Bible to all people worldwide. It is only with the help of these faithful writers that much of Bible House of Grace exists as it does today.*
