(2019)

Bible House of Grace contains an easy to read New and Old Testament commentary full of spiritual treasures and pearls, complete with an insightful resource guide illuminating God's love and grace.

Although I believe my aim is pure and God's will perfect this document is still the product of a human man, as to such I neither claim perfect knowledge or perfect understanding.

Computers, God's Mind, and the Resurrection.

Some may wonder (especially those of previous generations prior to our modern age of technology, "how can God possibly remember every detail of all those raised, when the sea, death, and Hades (the grave) give up the dead to stand before God at the Great White Throne judgment.

But consider the following, today; we have super computers that can literally store trillions of bits of information, and send and receive them at a speed that is almost beyond human belief (certainly would have been a few short years ago).

Added to this, any single item no matter how small amongst the trillions of subjects and topics stored in the computer's memory, can at the click of a key be brought to life, in brilliant colour on a screen for everyone to see. Then at the click of another key, completely vanish, descending into the computer's memory until someone wants to resurrect that information again.

Now with this in mind consider the eternal and awesome memory of God, which unquestionably dwarfs any super computer His creation can build. This reality, highlights the following truth, it is certainly not a difficult task for God to keep every detail of us in His eternal memory, and at the appointed time resurrect to eternal glory and everlasting life, those He chooses, by speaking the word, and bringing at the speed of light all those He has loved and kept in His eternal mind to life.

As the founder of Bible House of Grace, I would like to thank the many Christian scholars, commentators and theologians who have gone before me, and the many today, who have freely made available their works to enhance the knowledge of the Bible to all people worldwide. It is only with the help of these faithful writers that much of Bible House of Grace exists as it does today.
