Although I believe my aim is pure and God's will perfect this document is still the product of a human man, as to such I neither claim perfect knowledge or perfect understanding.

The Title, The Holy See.

The title, "The Holy See," refers to the Popes and bishops of Rome, but because the city-state of the Vatican, is the territory in which the Pope resides, it also embraces the Vatican.

When the United Nations use the title, "Holy See," it refers to the government of the Roman Catholic Church, not the city of the Vatican, because it is the government of the Roman Catholic Church, not the Vatican City that is represented at the United Nations.

As the founder of Bible House of Grace, I would like to thank the many Christian scholars, commentators and theologians who have gone before me, and the many today, who have freely made available their works to enhance the knowledge of the Bible to all people worldwide. It is only with the help of these faithful writers that much of Bible House of Grace exists as it does today.
