## Sacramentals (The Meaning of Sacraments).

---

A sacrament is an action or object considered sacred and holy (such as the rosary) of religious origin that serves to express or increase devotion and incite reverence during acts of worship and prayer. Sacramentals are set apart and blessed by the following churches:

- Roman and Eastern Catholic Churches.
- Eastern and Oriental churches.
- Anglican and Independent churches.
- Old Catholic, the Lutheran, and the Methodist churches.

Paying homage or giving reference to a sacrament, excites pious thoughts in those with a superstitious religious belief and increases devotion to the Church, that has blessed the sacrament.

*As the founder of Bible House of Grace, I would like to thank the many Christian scholars, commentators and theologians who have gone before me, and the many today, who have freely made available their works to enhance the knowledge of the Bible to all people worldwide. It is only with the help of these faithful writers that much of Bible House of Grace exists as it does today.*
