**Teachings  
of the  
Catholic Church**

(2019)

Bible House of Grace contains an easy to read New and Old Testament commentary full of spiritual treasures and pearls, complete with an insightful resource guide illuminating God's love and grace.

Although I believe my aim is pure and God's will perfect this document is still the product of a human man, as to such I neither claim perfect knowledge or perfect understanding.

## Teachings of the Catholic Church.

---

Following are some examples of the erroneous teachings and practices the Vatican has been filling up the golden cup full of abominations with throughout the world.

**CONCERNING ITS CHURCH:** Vatican City teaches, it is the one Holy universal and apostolic church," founded by Jesus Christ. It claims the Catholic Church is the true church of all nations and all churches, and the universal Mother church over all the earth, and Bride of all Catholic priests, bishops, cardinals, and Popes, and believes that its Popes are the head and foundation of Christ's church on earth.

**CONCERNING ITS POPES:** Vatican City teaches, its Popes are the successors of the apostle Peter who Jesus conferred pre-eminence upon, and its bishops are the successors of Christ's apostles. He is God on earth, the vicar of Christ, the head, and foundation of the church, and as Christ's Vicegerent, on earth he is the Holy Infallible (i.e., perfect, and flawless) sovereign of kings and kingdoms, and as such is given the title, "His Holiness." The Popes and Bishops have divine authority and right over all people, because the law and doctrines they proclaim came by God's authority and was absolute. Its Popes have authority to exalt the dead to sainthood, and its priests have power to pardon sins, and the worship and praying to these exalted saints for help is encouraged. Cardinals highly exalt the Pope, in a ceremony called, "The Adoration," in which the Pope sits on a seat on the altar in the Vatican temple, while they kneel and kiss his feet.

**CONCERNING ITS DOCTRINES AND PRACTICES:** Vatican City teaches, its doctrines that are summarized in the Nicene Creed originally adopted in the city of Nicaea by the first Council of Nicaea in A.D. 325, maintain the original teachings and practises of the Christian faith and uphold the infallibility of the Scriptures passed down by sacred tradition.

**CONCERNING ITS EUCHARIST (COMMUNION):** Vatican City upholds that the Eucharist is the principal sacraments of its practises celebrated in its public worship in the Mass, and through consecration by a priest the communion bread mystically turns to the literal flesh of Christ and the wine turns into the literal blood of Christ.

**CONCERNING THE VIRGIN MARY:** Vatican City venerates the Virgin Mary as the Mother of God and Queen of heaven, and teaches the unbiblical practise of worshipping and praying to her. In Vatican City and in its churches amongst all nations there are multitudes of images of her for Catholic believers to adore and worship.

**CONCERNING SALVATION:** Vatican City teaches, to fully secure salvation a believer must attend mass and strictly adhere to the church's holy days, ceremonial rites and keeping its religious practises and traditions, and to receive forgiveness of sins they must confess their sins to a human priest, rather than the Lord Jesus Christ. It claims believers can pray to the dead who have been exalted to sainthood for help, and that there is a place or state of suffering called purgatory where souls of sinners go to atone for their sins before going to heaven.

**CONCERNING MARRIAGE:** Vatican City teaches the erroneous doctrine of celibacy that proclaims all who are devoted to the Catholic Mother Church as priests, bishops, cardinals, and Popes are forbidden to marry and live a life of celibacy, because they are married to the Church.

**CONCERNING THE POOR:** Vatican City places emphasises upon support for the sick, the poor and the afflicted, through spiritual works of mercy, and is the largest non-government provider of education, influencing Western philosophy, culture, science and art, and largest provider of health care in the world.

**SNAPSHOT:** followers of Vatican City highly esteem and exalt the Pope for his supposed infallibility and the splendour of the Vatican and its vast worldly riches, grandeur, and pomp. The self-exalting pompous, hypocritical, and theatrical religion and superior religious spirit that the Popes manifest, will be the same spirit the false prophet of the great prostitute woman and the man of lawlessness (man of sin in KJV) (2 Thess. 2:1-4) (an antichrist and son of destruction) (1 John 2:22) will manifest in the latter days, and the same adoration the Popes receive from their followers, will be the same adoration the false prophet and the man of sin and lawlessness, will receive from their followers.

*As the founder of Bible House of Grace, I would like to thank the many Christian scholars, commentators and theologians who have gone before me, and the many today, who have freely made available their works to enhance the knowledge of the Bible to all people worldwide. It is only with the help of these faithful writers that much of Bible House of Grace exists as it does today.*
