Although I believe my aim is pure and God's will perfect this document is still the product of a human man, as to such I neither claim perfect knowledge or perfect understanding.

Arrows.

Arrows in Scripture can signify:

- Fierce armies and battles.
- God's powerful presence, anger, and wrath.
- Mighty armies of Israel, signified by God riding on a chariot as a mighty warrior with a bow firing arrows to destroy the enemies of His people.
- God's judgement on Israel, or on their enemies or on nations, especially when the arrows are linked with the words, arrows flashed on every side, and with lightning and thunder.
