Arsenokoitai

(2019)

Bible House of Grace contains an easy to read New and Old Testament commentary full of spiritual treasures and pearls, complete with an insightful resource guide illuminating God's love and grace.

Although I believe my aim is pure and God's will perfect this document is still the product of a human man, as to such I neither claim perfect knowledge or perfect understanding.

Arsenokoitai.

The Greek word arsenokoitai translated into English is, men who lie with men, it is derived from two Greek words, arseno, which translates to males (men), and koitai, which translates to couch or bed. The literal translation of arsenokoitai is male couching or bedding together, which is an ancient euphemism for sleeping with or having sex.

As the founder of Bible House of Grace, I would like to thank the many Christian scholars, commentators and theologians who have gone before me, and the many today, who have freely made available their works to enhance the knowledge of the Bible to all people worldwide. It is only with the help of these faithful writers that much of Bible House of Grace exists as it does today.
