Topics.

- A beast rising out of the sea.
- A beast rising out of the earth.

A BEAST RISING UP OUT OF THE SEA

- **Revelation 13:1:** And I saw a beast rising out of the sea, with ten horns and seven heads, with ten diadems on its horns and blasphemous names on its heads.

Here we read of a beast rising out of the sea. The waters of the sea are always moving and therefore never settled, which aptly symbolise the troubled agitations of the populations of the earth, out of which the world powers and its seven mighty world kingdoms have emerged, and out of which the final antichristian ten horned beast nations will arise.

A BEAST RISING UP OUT OF THE EARTH

- **Revelation 13:11:** Then I saw another beast rising out of the earth. It had two horns like a lamb and it spoke like a dragon.

Here we read of a two horned beast speaking like a dragon (signifying a false prophet) coming up out of the earth. The earth is more stable, firm and settled than the sea, and its waters, for this reason the earth aptly symbolises this two horned beast gradually rising up from amongst the Roman Papal Church and all religions affiliated with it, for they are more structured, united and organized than the secular world, because of years of religious culture, traditions and conformity.

As the founder of Bible House of Grace, I would like to thank the many Christian scholars, commentators and theologians who have gone before me, and the many today, who have freely made available their works to enhance the knowledge of the Bible to all people worldwide. It is only with the help of these faithful writers that much of Bible House of Grace exists as it does today.
