**Drunk
with the
Blood of the Saints**

(2019)

Bible House of Grace contains an easy to read New and Old Testament commentary full of spiritual treasures and pearls, complete with an insightful resource guide illuminating God's love and grace.

Although I believe my aim is pure and God's will perfect this document is still the product of a human man, as to such I neither claim perfect knowledge or perfect understanding.

Drunk with the Blood of the Saints.

- **Revelation 17:6:** And I (John) saw the woman, drunk with the blood of the saints, the blood of the martyrs of Jesus. When I saw her, I marveled greatly.

The statement, "drunken with the blood of the saints, carries the idea of celebrating over their death, in the following chapter we are told that:

- **Revelation 18:24:** In her was found the blood of prophets and of saints, and of all who have been slain on earth." (Rev. 18:24).

This manifests the cruel spirit of persecution that marked ancient Pagan and Papal Rome. However, it is not necessarily limited to Rome for though it is true that the Romans and the Roman Papal Church did spill a vast amount of Christian blood, from heavens view, it is the same evil and antichristian spirit that sheds the blood of Christians, whoever the persecuting nation is that is putting them to death.

As the founder of Bible House of Grace, I would like to thank the many Christian scholars, commentators and theologians who have gone before me, and the many today, who have freely made available their works to enhance the knowledge of the Bible to all people worldwide. It is only with the help of these faithful writers that much of Bible House of Grace exists as it does today.
