**Frogs**

(2019)

Bible House of Grace contains an easy to read New and Old Testament commentary full of spiritual treasures and pearls, complete with an insightful resource guide illuminating God's love and grace.

Although I believe my aim is pure and God's will perfect this document is still the product of a human man, as to such I neither claim perfect knowledge or perfect understanding.

## Three Unclean Spirits like Frogs.

---

- **Revelation 16:13:** And I (John) saw, coming out of the mouth of the dragon and out of the mouth of the beast and out of the mouth of the false prophet, three unclean spirits like frogs.

Before reading any further, let me say, there are many speculations concerning this verse, so the following is certainly not a dogmatic view, for there are others that are most likely equally as valid. The view of the three unclean spirits in this study, is that they refer to the following three:

1. **The dragon:** signifying ungodly powerful global world leaders, who have a vast influence over the world's population.
2. **The beast:** signifying the European Union.
3. **The false prophet:** signifying the Pope.

These three voices are all in harmony, for they are motivated not by the Spirit of God, but by the spirit of humanism. Though much of what is motivated from the spirit of humanism is good and to be commended, for much of its underlying focus is to do what is best for our planet and mankind's well-being, which I suspect, whether Christian or non-Christian, we would agree is a good goal, so why are Christians opposed to this global movement some might wonder? Simply this, the heads of our global world, believe they can bring about a global utopia world, devoid of God. One only needs to look back upon the beginning of history, to see that mankind has had thousands of years to achieve a utopia world, and yet today, our global world is facing dangers that have the potential to annihilate our entire planet.

The sadness is that there are good and kind-hearted people and groups worldwide that are doing what they can to save our planet, and save the multitudes of animals near to extinction and bring peace to our world. But the sad reality is, if those who have global power and authority have no interest in God and are devoid of His ways, history shows, they will be driven by ego and pride and lust for power and profit. The continuous prayer of Bible House of Grace (and I suspect of most Christians), is that the King of Peace, the Lord Jesus Christ returns soon, for only then will our wounded world be healed.

**NOTE:** the three voices of these three frogs can also be seen as symbolisms of the:

1. The Sun.
2. The moon.
3. The stars.

This is because, when looking at the sun, the moon, and the stars in a secular sense, they can be viewed in the following ways:

1. **The sun:** being the brightest of all worldly lights, signifies the heads of the global world.
2. **The moon:** being the second brightest, because of the sun's reflection upon it, signifies the heads of the religious world
3. **The stars:** being too numerous to count, signify the populations of the world, and followers of the heads of the global and religious world.

*As the founder of Bible House of Grace, I would like to thank the many Christian scholars, commentators and theologians who have gone before me, and the many today, who have freely made available their works to enhance the knowledge of the Bible to all people worldwide. It is only with the help of these faithful writers that much of Bible House of Grace exists as it does today.*
