## **Pure Gold**

(2019)

Bible House of Grace contains an easy to read New and Old Testament commentary full of spiritual treasures and pearls, complete with an insightful resource guide illuminating God's love and grace.

Although I believe my aim is pure and God's will perfect this document is still the product of a human man, as to such I neither claim perfect knowledge or perfect

## Pure Gold.

---

**Pure gold:** gold in the Bible is often spoken of negatively, following is one example (there are many more):

- **Ezekiel 7:14:** “They will throw their silver into the streets, and their gold will be like refuse; their silver and their gold will not be able to deliver them in the day of the wrath of the Lord; they will not satisfy their souls, nor fill their stomachs, because it became their stumbling block of iniquity.”

However, when the word pure is added to the word gold, it means the writer is using gold in a positive sense, with this in mind, pure gold signifies something that:

- Is precious and of great value.
- Is refined of all impurities and not destroyed.
- Endures all troubles and hardships (i.e., withstands fire).
- People seek after to secure their future security.

Pure gold can also symbolize true knowledge, wisdom, and faith, which means pure gold symbolizes, faithful believers who have sought the truth of God’s word, and endured and been refined of impurities through the troubles and hardships of life (i.e., refined by fire) and are in God’s eyes, a people most precious and of great value.

### **The overall idea signifies the following two ideas:**

1. The Holy City New Jerusalem, will be far more glorious than any city we have seen in this world or can imagine, and will abundantly and richly fulfil the hearts and minds of all who dwell in it.
2. A city made entirely of glass, signifies human nature being made perfect and completely free from any trace of sin, and that all that makes up this city is perfect and noble, without spot or blemish. It denotes, excellency, and preciousness of the citizens of the city, and their purity and freedom from all sin and corruption.

With all impurities, blemishes and sin removed, all that will remain is the true wealth of the Holy City, which is love, for love is the bonding cement of all holy activity and of all holy work. All who dwell within the New Jerusalem will be filled with it, and all who walk the streets of the city will follow the ways of love and be surrounded by it, there will be no dimness or obscuring motives of self-interest to mar the cities beauty, for the gold is clear as pure glass.

*As the founder of Bible House of Grace, I would like to thank the many Christian scholars, commentators and theologians who have gone before me, and the many today, who have freely made available their works to enhance the knowledge of the Bible to all people worldwide. It is only with the help of these faithful writers that much of Bible House of Grace exists as it does today.*
