Humanism and the Final Beast Empire

(2019)

Bible House of Grace contains an easy to read New and Old Testament commentary full of spiritual treasures and pearls, complete with an insightful resource guide illuminating God's love and grace.

Although I believe my aim is pure and God's will perfect this document is still the product of a human man, as to such I neither claim perfect knowledge or perfect understanding.

Humanism and the Final Beast Empire.

It is very likely that the final beast empire, its governments, and much of the global world's populations will be under the spirit of philosophical enlightenment and humanism.

Humanism: is a rational system of thought that is centered on man's ability:

- To establish a global government that is focused on mankind's wellbeing.
- To bring peace and prosperity to earth.
- To save the planet and make the world a better place for all mankind.
- To establish a utopia world.

It is not these goals that make humanism evil, for they should be what we are all aiming for, it is the foundation of humanism, that clothes humanism in evil, for it states, man's ways are higher than God's ways, and that mankind can solve the world's problems devoid of God, this will be the dominating and underlying spirit in the latter days. It will be a system that accepts all religions (i.e., Catholic, Muslim, Hindus etc.), but be against Israel, and the Lord Jesus Christ and Christians who proclaim Jesus is the only path to God, and to eternal life.

There will be an increasing number of ministers and preachers who have no oil in their lamps who embrace all religions and consciously, and unconsciously pave the way for worldliness and humanism to grow amongst their congregations, by twisting, and distorting the Scripture to appeal to man's pride, self, and ego, and by lifting Scripture out of context to build false doctrines, and make false promises, claiming they are the word of God.

1

As the founder of Bible House of Grace, I would like to thank the many Christian scholars, commentators and theologians who have gone before me, and the many today, who have freely made available their works to enhance the knowledge of the Bible to all people worldwide. It is only with the help of these faithful writers that much of Bible House of Grace exists as it does today.
