to write all  
He Sees in a Book**

(2023)

Bible House of Grace contains an easy to read New and Old Testament commentary full of spiritual treasures and pearls, complete with an insightful resource guide illuminating God's love and grace.

Although I believe my aim is pure and God's will perfect this document is still the product of a human man, as to such I neither claim perfect knowledge or perfect understanding.

## John is Told to Write all He Sees in a Book.

---

- **Revelation 1:11:** saying, “Write what you see in a book and send it to the seven churches, to Ephesus and to Smyrna and to Pergamum and to Thyatira and to Sardis and to Philadelphia and to Laodicea.”

John was told to write all he heard and saw in a book so that it would remain, and be read to the seven churches and to all churches of future generations, and be profitable to all believers at that time and in all future ages.

The visions and extraordinary manifestations may have been given to John in one of the following ways:

- In vision form under God’s control played out like a movie before his eyes, somewhat like a very vivid hologram passing before his eyes.
- Played out as a movie on his imagination that it strongly engraved it on his mind.

However, John received these amazing prophetic visions, matters little, for we know all that is written, is written according to God’s will and purpose, and we are enormously blessed to have them available to us today.

*As the founder of Bible House of Grace, I would like to thank the many Christian scholars, commentators and theologians who have gone before me, and the many today, who have freely made available their works to enhance the knowledge of the Bible to all people worldwide. It is only with the help of these faithful writers that much of Bible House of Grace exists as it does today.*
