Although I believe my aim is pure and God's will perfect this document is still the product of a human man, as to such I neither claim perfect knowledge or perfect understanding.

## Kindred and its Meaning.

---

Kindred comes from the Greek word (*phuo*) and means an offshoot, it refers to a race, a clan or tribe, and carries the idea of germinating, sprouting, growing, and swelling up and producing. It often refers to those who are descended from a common ancestry, and denotes a race, and lineage.

It was applied to the tribes of Israel, since they all derived from the same ancestor, but it can be applied to a clan, and to any division in a nation, or to a nation itself for the same reason.

**Tribes and clans:** carry the idea of smaller group of people in contrast to an entire nation, in different contexts, they refer to one of the following three:

1. A mass of human beings.
2. A community of people.
3. An assembly of people.

The words tribes and clans, can refer to any of these three without reference to their origin or their difference of birth and language.

*As the founder of Bible House of Grace, I would like to thank the many Christian scholars, commentators and theologians who have gone before me, and the many today, who have freely made available their works to enhance the knowledge of the Bible to all people worldwide. It is only with the help of these faithful writers that much of Bible House of Grace exists as it does today.*
