Lightening, Thunder and Earthquakes

(2019)

Bible House of Grace contains an easy to read New and Old Testament commentary full of spiritual treasures and pearls, complete with an insightful resource guide illuminating God's love and grace.

Although I believe my aim is pure and God's will perfect this document is still the product of a human man, as to such I neither claim perfect knowledge or perfect understanding.

Lightening, Thunder, and Earthquakes.

- **Revelation 16:17:** The seventh angel poured out his bowl into the air, and a loud voice came out of the temple, from the throne, saying, "It is done!"¹⁸ And there were flashes of lightning, rumblings, peals of thunder, and a great earthquake such as there had never been since man was on the earth, so great was that earthquake.

Lightning, thunder, and earthquakes are the usual plagues of God's judgments. This seventh vial brings down thunder, lightning, hail, and storms; which, combined with an enormous and terrible earthquake, destroys all the antichristian nations, and particularly Rome, and mystical Babylon, a symbol of the worlds political governments, its system of credit, interest and banking and its commerce and trade.

When Christ was about to breath his last breadth, he ended his sufferings on the cross with the words, "It is finished," likewise the suffering of the redeemed will be ended when a voice out of the temple of heaven, from the throne of God, is heard, saying, "It is done," and the glorious millennium reign of Christ on earth begins.

Depending on the context lightening symbolise:

- A literal enormous destructive, wild, and fierce storm full of destructive power and force, especially when linked with thunder.
- Fierce and mighty armies, especially when the lightening is linked with arrows and thunder.
- The extraordinary manifestation of God Prescence.
- God's powerful presence, anger, and wrath.
- God's judgement upon nations (either Israel or their enemies).
- God's majestic, powerful, and mysterious ways working upon the earth.

Lightning and voices coming from the throne, signify:

- God's sovereign judgments of destruction upon the enemies of His people according, to their wickedness.

Flashes of lightning: signifies, being swift to destroy, it could be by natural disasters or by mighty armies.

EARTHQUAKES

Depending on the context earthquakes symbolise:

- Literal earthquakes, that cause major upheavals and destruction.
- Enormous destructive changes, upheavals, and transformations of governments, pollical powers, nations, empires, and the worlds trading and financial system.

THE SEVENTH ANGEL AND A GREAT EARTHQUAKE

NOTE: the earthquake that this seventh angel brings upon earth, will be of such magnitude, it will by far supersede all earthquake that the earth has experienced prior to it.
