**Marcus Aurelius
and the
Final World Ruler**

(2019)

Bible House of Grace contains an easy to read New and Old Testament commentary full of spiritual treasures and pearls, complete with an insightful resource guide illuminating God's love and grace.

Although I believe my aim is pure and God's will perfect this document is still the product of a human man, as to such I neither claim perfect knowledge or perfect understanding.

Marcus Aurelius and the Final World Ruler.

Marcus Aurelius: (A.D. 161 to 180 BC.). History records the Roman Emperor Marcus Aurelius as one of the most respected humanitarian Emperors in Roman history. He wrote twelve books on philosophy, meditation, and spiritual reflections and after his death he was idealized as the perfect Emperor. One of his most famous books is titled: Meditations, it can be purchased online from Amazon, following are some of his quotes.

- The soul becomes dyed with the color of our thoughts.
- The universe is change.
- Our life is what our thoughts make it.
- When you arise in the morning, think of what a precious privilege it is to be alive, to breathe, to think, to enjoy, to love.
- Anxiety is all about believing the future will be bad.
- Everything we hear is an opinion, not a fact.

Another of his books is titled, "Happiness How to Find It," this book and his other books contains truths that we read in today's books of philosophy and modern-day self-help books. Though history records Marcus as a perfect Emperor of Rome, because he did care for the poor, he is also recorded in history as one of the most ruthless, brutal and-cruel Roman persecutors of Christians, because he believed them to be enemies of Rome.

Marcus is a perfect example of the following:

- That both kindness and cruelty can dwell alongside each other in the human heart.
- The final world ruler, who the Bible predicts, will in the latter days attempt to establish a New World Order.

As the founder of Bible House of Grace, I would like to thank the many Christian scholars, commentators and theologians who have gone before me, and the many today, who have freely made available their works to enhance the knowledge of the Bible to all people worldwide. It is only with the help of these faithful writers that much of Bible House of Grace exists as it does today.
