Papal Rome

and the

Great Prostitute Women

(2019)

Bible House of Grace contains an easy to read New and Old Testament commentary full of spiritual treasures and pearls, complete with an insightful resource guide illuminating God's love and grace.

Although I believe my aim is pure and God's will perfect this document is still the product of a human man, as to such I neither claim perfect knowledge or perfect understanding.

Papal Rome and the Great Prostitute Women.

Papal Rome and ancient Rome: in the book of Revelation John had the following vision:

- The great prostitute woman full of abominations and drunk with the blood of the martyrs of Jesus arrayed in purple and scarlet, and adorned with gold and jewels and pearls, holding in her hand a golden cup full of abominations and the impurities of her sexual immorality, with the name of mystery: “Babylon the great, mother of prostitutes and of earth's abominations,” written on her forehead. (Rev. 17:1-6).

The great prostitute woman full of abominations: such as the unbiblical and deceptive doctrines the Papal Roman Church teach worldwide. Following are a few examples:

- The exaltation of the Popes.
- The adulation of those they exalt to sainthood.
- Praying to Mary and to angels.
- The belief the communion bread turns to the literal flesh of Christ and the wine to his blood etc.

It can be rightly said, the Roman Papal Church is the grand deceptive Christian power in the world

Drunk with the blood of the martyrs of Jesus: refers to the cruel and brutal persecution they inflicted upon true Christians, and those they put to death because they would not embrace their erroneous doctrines and submit to their rule.

Arrayed in purple and scarlet: these two colours were the distinguishing colours of the Roman emperors, consuls and generals, and scarlet (red) and white is the colour the Popes wear, and purple is one of the main colours of the cardinals' robes worn during services of pomp and ceremony.

Adorned with gold and jewels and pearls: the church is full of outward pomp and ceremony, and being supported by a vast number of members worldwide, and organisations is enormously rich.

- It is estimated they have over one billion members around the world. Supposing, each member only gave \$5 week that's a total of 5,000,000,000 (five billion) every week and \$260,000,000,000 (two hundred and sixty billion) every year.
- Added to this they have various religious organizations aligned with them that support them, and a number of secular European nations, plus, they have investments in a vast number of extremely profitable global businesses.

Holding in her hand a golden cup full of abominations and the impurities of her sexual immorality: history of the Papal Church shows that is has been full of the worst of all types of sexual abominations, child abuse.

The name of mystery: “Babylon the great, mother of prostitutes and of earth's abominations,” written on her forehead: the name Babylon signifies worldliness and everything that is offensive to God in the world, which aptly fits the Vatican with its Popes, for the vast majority

of their doctrines are doctrines of men, for very few can be found in the Bible. In the same way that Babylon was the head nation of the world, and influenced the inhabitants of the world, likewise the Roman Papal Church, considers themselves to be the universal church and mother of all churches, and has influence with leaders of nations and millions of people around the world.

Out of Rome's ashes: the pagan Roman empire come to ruin, but out of its ashes the Roman Papal power rose in such great strength that today it has power, influence and wealth that is greater and reaches further than the influence and power that the ancient Roman empire had at its zenith.

The ten horned beast and the woman of scarlet: though the book of Revelation pictures the ten horned beast with the woman of scarlet sitting on it, as one beast, they are in reality, two separate entities, the ten horned beast signifying powerful worldly nations that rise up to dominate the world in the latter days, and the woman of scarlet signifying the antichristian religious power.

They are viewed as one mighty beast power, because they are so closely united, in mind and purpose (i.e., to dominate the world), the secular nations with their laws and rules, being underpinned with humanism (what is best for mankind and the planet, but devoid of God), and the religious power, with their antichristian message that aims to unite all religions (regardless of teachings) under their umbrella.

FOOTNOTE

What I have presented here in this document should not be taken to be dogmatic, inflexible or the final word on the matter since I am fully aware greater understanding of God's revelation is continually becoming clearer before our eyes as we move closer to the time of Christ's glorious return in glory.
