(2019)

Bible House of Grace contains an easy to read New and Old Testament commentary full of spiritual treasures and pearls, complete with an insightful resource guide illuminating God's love and grace.

Although I believe my aim is pure and God's will perfect this document is still the product of a human man, as to such I neither claim perfect knowledge or perfect understanding.

Sea and Earth.

THE SEA

The sea has roaring waves and is constantly moving, and as such, it signifies, constant change and a state of commotion, disorder and anarchy, chaos, tumultuous troubles, and the destructive ways of mankind, and in some context, a society devoid of God, and totally trusting in mankind to save them and the planet.

THE EARTH

Unlike the sea, the earth is still, solid, and stable, and as such, signifies, an unchanging constant unwavering society, and in some contexts, a society devoid of God, and totally trusting in mankind to save them and the planet.
