Sexually Immoral and Whoremongers

(2019)

Bible House of Grace contains an easy to read New and Old Testament commentary full of spiritual treasures and pearls, complete with an insightful resource guide illuminating God's love and grace.

Although I believe my aim is pure and God's will perfect this document is still the product of a human man, as to such I neither claim perfect knowledge or perfect understanding.

Sexually Immoral and Whoremongers.

Sexually immoral and whoremongers refers to:

- A male prostitute as unprincipled and degenerate in character and to adulterers and temple prostitutes, rapist and pedophiles and the clergy of the Church of Rome, who being forbidden to marry, and under a vow of celibacy make pretensions to chastity and singular holiness, while giving themselves up to secret lasciviousness.
- To seductive women who are sexually promiscuous, immoral, indecent, shameless, and salacious.
- To female prostitutes who sell themselves for financial gain, and material reward.

NOTE: fornicator means the same thing as whoremongers and refers to those who indulge themselves in orgies and who sexually abuse others and use them for their own sexual gratification and such like evils.
