## **Ships**

(2019)

Bible House of Grace contains an easy to read New and Old Testament commentary full of spiritual treasures and pearls, complete with an insightful resource guide illuminating God's love and grace.

Although I believe my aim is pure and God's will perfect this document is still the product of a human man, as to such I neither claim perfect knowledge or perfect understanding.

## **Ships.**

---

Depending of the prophet context, ships can signify:

- Riches of the people, because of their use in trade.
- Strength and power, because of their use in war, especially if the ships are linked with blood, for when there is war on the sea, it is tinged with blood by the death of the sailors and death of the fish of the sea. This would be especially true with modern day missiles, especially nuclear weapons of war.
