Strife

(2019)

Bible House of Grace contains an easy to read New and Old Testament commentary full of spiritual treasures and pearls, complete with an insightful resource guide illuminating God's love and grace.

Although I believe my aim is pure and God's will perfect this document is still the product of a human man, as to such I neither claim perfect knowledge or perfect understanding.

Strife.

Strife: refers to those who by angry and bitter argument, cause conflict, discord, controversy, contention, disharmony, ill feeling, and hostility within the community over fundamental issues. Such people love to quarrel, wrangling and bicker over the smallest of issues, and whenever there is a disagreement rather than discuss and reason together with others in a calm manner to find a solution or an answer to the problem, they cause tension, division, and conflict.

It is the act or state of fighting or arguing violently and applies to conflicts between individuals and to major issues and events amongst nations, such as trade wars and wars of mass destruction and in religions and churches divisions, troubles, and difficulties of all kinds.
