Angels**

(2019)

Bible House of Grace contains an easy to read New and Old Testament commentary full of spiritual treasures and pearls, complete with an insightful resource guide illuminating God's love and grace.

Although I believe my aim is pure and God's will perfect this document is still the product of a human man, as to such I neither claim perfect knowledge or perfect understanding.

Angels and their Symbolism.

Depending on the context, angels can symbolize:

- Archangels distinguished from among the myriads of angels that surround the throne of God.
- God's varied force over the earth and the power He commands over the world.
- The complete circle of God's power over the world.
- Seven chief and preeminent angels that God used in His service to execute His judgments revealed in the book of Revelation.
- Destroying angels similar, to the one God used in the following verse:
 - When the angel stretched out his hand toward Jerusalem to destroy it, the LORD relented from the calamity and said to the angel who was working destruction among the people, "It is enough; now stay your hand. (2 Sam. 24:16).
- God's faithful prophets, ministers, and heads of Christ's faithful church.
- Powerful kings or rulers of the earth, who God uses as His servants to bring about His judgments and execute His vengeance. Much like God used Nebuchadnezzar the king of Babylon as His servant to execute His judgment upon rebellious Israel.

As the founder of Bible House of Grace, I would like to thank the many Christian scholars, commentators and theologians who have gone before me, and the many today, who have freely made available their works to enhance the knowledge of the Bible to all people worldwide. It is only with the help of these faithful writers that much of Bible House of Grace exists as it does today.
