**Wind
and the
Spirit**

(2019)

Bible House of Grace contains an easy to read New and Old Testament commentary full of spiritual treasures and pearls, complete with an insightful resource guide illuminating God's love and grace.

Although I believe my aim is pure and God's will perfect this document is still the product of a human man, as to such I neither claim perfect knowledge or perfect understanding.

Wind and the Spirit.

Following are four reasons why the wind represents the Spirit:

1. The wind carries the idea of air blowing.
2. It is invisible and no one can see it.
3. It has an influence, even though it cannot be seen.
4. No one understands where it comes from or how it works.

When the wind is used figuratively it signifies the Spirit's invisible influence that comes from God that no-one can see. The influence of the wind can be a good influence (i.e., sail a yacht, spread seeds over the earth and bring cool and refreshing air) or it can be destructive, and bring about ruin, disaster and death. Likewise, the Spirit and the message of the bloodstained cross of calvary and the Gospel of the Lord Jesus Christ, have the unseen power to bring about life or death.

As the founder of Bible House of Grace, I would like to thank the many Christian scholars, commentators and theologians who have gone before me, and the many today, who have freely made available their works to enhance the knowledge of the Bible to all people worldwide. It is only with the help of these faithful writers that much of Bible House of Grace exists as it does today.
