Although I believe my aim is pure and God's will perfect this document is still the product of a human man, as to such I neither claim perfect knowledge or perfect understanding.

## Worshipping the Beast.

### A brief overview of the beast and worship.

The book of Revelation speaks of two beasts (the ten horned beast and the mother of prostitutes), these two are closely intertwined with each other, which is why it is often viewed as one mighty beast power, even though it exists in the following two forms:

1. The civil, secular, and worldly authority and power.
2. The ecclesiastical, religious, and spiritual authority and power.

It embraces the global anti-Christian religions of which the Roman Papal hierarchy is the head, combined and consolidated with the heads of worldly nations authority and power, symbolised by the ten-horned beast.

**Those who had not worshiped the beast:** (v4) carries the following ideas:

- They had not embraced or given themselves over to the antichristian power and beast empire, or yielded to its corruptions.
- They did not receive its mark upon their foreheads, or in their hands, which could refer to a literal computer mark or chip of some kind, that enables buying or selling, or could signify they had made no confession of acceptance, and had not supported the anti-Christian empire in any way

**Those who worshipped the beast:** (v9), does not necessarily mean they are going to stand with arms raised worshipping as Christians do in a church building, but carries the idea, a great majority of the worlds nations and population will willingly and inwardly reverence and submit to the beast empire, and embrace its rules, laws, and religion of which a great part will be humanism and the religion of the Papal hierarchy, and religions affiliated with the Vatican and its Pope.

What I have presented here in this document should not be taken to be dogmatic, inflexible or the final word on the matter since I am fully aware greater understanding of God's revelation is continually becoming clearer before our eyes as we move closer to the time of Christ's glorious return in glory.

It is only with the help of these faithful writers that much of Bible House of Grace exists as it does today.*
